

Dear Swim Team Parents,

I hope you have had a nice Winter! Summer is right around the corner and with it comes another great season with the BCC Barracudas Swim Team. Chandler Brandes will be the Head Coach for another fun-filled summer of swimming, success and community. You can contact Chandler at swimming@burlingtoncountryclub.org if you have any questions regarding swim team throughout the season.

You can now access the 2018 swim team registration form on the BCC website but we encourage all parents and swimmers to attend one of the four registration meetings being held at the Club. At these meetings, you will be able to meet the coaches, try on suits and apparel and ask any questions you may have. If you are unable to make it to any of these meetings you may submit your registration form in person to the business office during normal business hours, by mail, or via email to Aleksey.Jordick@burlingtoncountryclub.org. Please see the attached documents including the Registration Form, a Medical, Liability and Photo Release Form, and Scott Spann's *Dream of Kings Olympic Swim Clinic* flyer. Scott's swim clinic was well attended last Summer, and he will be at BCC again this year on June 20th and 21st. We urge you to sign up soon as spots will fill up quickly!

Over the years interest in joining the BCC Barracudas has increased dramatically. With that being said, we are grandfathering in all previous swim team participants who are non-BCC members, but beginning this year only members of Burlington Country Club will be able to join the swim team. We will not be accepting any *new* swim team applications from non-BCC members, although if you know anyone who is interested in the swim team and joining BCC, they are more than welcome to contact Brittany Melvin in Membership and Event Sales at Brittany.Melvin@burlingtoncountryclub.org.

Message from Scott:

Hello Vermont swimmers! I am so thrilled to be visiting your club to host an Olympic clinic. Even if you just started swimming, or you are already winning championships, everyone will find value in this clinic. Each three hour clinic is going to be loaded with information, unique drills, and real race strategy that is going to help you achieve your goals. All of the information shared comes from 18 years of swimming, six years representing Team USA, and working with three of the most successful coaches in the world. Swimming is not only good for your health, but it can be a lot of fun! We will play games and discover some unique ways to enjoy and improve your swimming skills.

Don't Forget! Bring a water bottle, snack, and dry towel for the clinic. Any questions that you or your parents have, I will be happy to answer.
